Good news for the NEW YEAR ELLEN KOURELAKOS has volunteered to be the 'keeper of the keys' to the Senior Club closet. She will be responsible for the meeting set-up! Also, GERRI MANUEL has volunteered to assume the TREASURY of our CLUB. On behalf of all we thank both ladies for their outreach in volunteering and service.

GRATITUDE is also extended to all the members who come on a weekly basis and help in so many ways to create fellowship and enjoyment. The setup, the serving, the decorations, shopping, baking, and calling of the BINGO numbers is much appreciated. STELLA OBERLE and FATHER EUGENE are to be applauded for their service in editing, production and printing of the NEWSLETTER. EFFIE GALIATSATOS is applauded for her service to the club in printing all of our materials as church secretary, including the mailings each month.

Without all of you and your generous service I would be handicapped in serving as PRESIDENT. Much thanks to you all, as I extend blessings for a happy, healthful, and peace filled NEW YEAR 2017! All good things for you and your loved ones throughout the NEW YEAR.

When the weather is possibly inclement, please call the Church Office (718) 339 - 0280 or Helen Pavlides ' home (718) 336- 8581 to determine if the meeting is ON or OFF.

LOVE TO ALL!
Helen Pavlides- President
